

Summary

FORESTRY THROUGH ARCHIVAL MATERIALS

The very first legislative document considering the protection of forests was passed by Milos 1836. Law on forests dated 1891 formed forest administrations. Head Forest Direction was established in 1921. Forest administrations were repealed and forest enterprises were established in 1945. Significant forests became lumber camps in 1947. Seven forest direction were formed in 1951. Self-management Interest Community (SIZ) on forestry was established in 1974 and in 1990 Head Enterprise of Lumber Camps Management as public property of Public Enterprise “Serbia Forests”.
