

Summary

**THE EDUCATIONAL – CULTURAL POLICIES IN SERBIA IN THE PERIOD
FROM 1941 TO 1944**

All of the educational, as well as cultural policies in Serbia in the time of Nedić, were formed with the aim of pointing out the destructive consequences of the educational policies and education itself in the Kingdom of Yugoslavia. They had been, as it was often mentioned, caused by the activity of the communists, by the neglect of any national institutions, by liberalism, by the neglect of ancient traditions and patriarchal culture.
