

Summary

Working list of Milojko Lešjanin (1830 - 1896)

On the occasion of the 130th anniversary of the beginning of the Serbian-Turkish wars 1876-1878, as well as the 110th anniversary of the death of the general Milojko Lesjanin, an active and essentially significant participant and creator of these important events which brought Serbia to its independence and territorial expansion, it is a good opportunity to remind ourselves of this significant Serbian officer especially because his name is inseparably connected to the liberation of Nis after being under the Turkish slavery for many centuries.
