

Summary

**The Life and Work of the Engineer Milan Joksimović
in the Documents of Historical Archive of Niš**

Milan Joksimović (1882-1945), was a civil engineer – planning engineer by vacation. He worked as a district civil engineer.

He was the owner of the Shop for technical firms and the Plant for paper bags and cardboard boxes production. Contracting business, various trade manipulations and the income from the plant provided him with a considerable capital, and he cooperated with a number of domestic and international companies.

In the political life of Nis, in the period from 1919 to 1920., he was the acting director of the Municipality of Nis.

He took part in the Balkan wars and the First World War.
